We are not responsible for acts of nature, weather, sprinklers, or damage caused by animals, people, or vehicles before, during or after the project. Permits are to be handled by the owner or prime contractor. All invoices are due upon receipt or will be assessed a finance charge of 1.5% per month. This agreement may be amended or modified only by an instrument in writing, stating the amendment or modification, executed by the parties hereto. All Work in excess of the work described herein shall be subject to a written and executed change order and will be billed in addition to the figures noted herein. This agreement shall be governed by and construed in accordance with the laws of the state of California. In the event that it is necessary to institute any action to enforce any right granted herein or to redress any alleged breach hereof, then the exclusive venue for such action shall be the Superior Court for the County of Santa Barbara, Santa Maria Branch.

If any action or proceeding is brought for the enforcement of this Agreement, or for a declaration of rights and duties hereunder, or because of an alleged dispute, breach, default, or misrepresentation in connection with any provision of this agreement, the successful or prevailing Party shall be entitled to recover actual attorneys' fees and other costs incurred in connection with that action or proceeding, in addition to any other relief to which the Party may be entitled. Work delays or damages caused by property owners, tenants, property managers, property employees, or other third parties may cause the total cost stated in this agreement to increase ("Additional Fees") due to any number of factors including, but not limited to, the need for additional trips, additional work, or increased cost of material. Customer agrees to pay these additional fees as they arise upon presentation of invoice.
